

ABC-MART Comments on monthly sales trends

fiscal period from MAR 1, 2025 to FEB 28, 2026

March monthly comment

Sales information

Existing stores sales showed YoY growth of 4.1%. All stores sales grew 4.5%.

In March, sales remained strong despite unstable weather and cool temperatures.

Demand for spring break also led to an increase in the number of customers, especially in the central part of the city.

By product, kids' shoes for school demand and spring apparel performed well.
